

INSTRUCTION

Alternative Learning Experience Programs

District Implementation Guidelines:

1. Alternative Learning Experiences shall be available to all students including student with disabilities.
2. The district shall make available to students enrolled in alternative learning programs access to curricula, course content, instructional materials and other learning resources required by the written student learning plan. These materials shall be consistent in quality with those available to the overall student population.
3. Work-based learning shall comply with WAC 180-50-315 and 392-12-124.
4. Contracting for alternative learning experiences shall be subject to WAC 392-121-188 and RCW 28A.150.305.
5. The district shall provide to parents a description of the difference between home-based instruction and alternative learning programs. The parent or guardian must sign documentation indicating their understanding of the distinction. The district shall retain the statement of understanding and make it available for audit.
6. The district shall use reliable methods to insure a student is doing his or her own work, which may include proctoring examinations or projects.
7. District alternative learning programs, using digital or on-line learning will be accredited through the state accreditation program or through the regional accreditation program.

Accountability for Student Performance:

1. Students participating in alternative learning experiences shall be evaluated as follows:
 - a. Each student's progress shall be evaluated monthly based on the learning goals and performance objectives defined in the written student learning plan.
 - b. The progress review will be conducted by certificated instructional staff and include direct personal contact (as defined by district policy) with the student. The results of the review will be shared with the student and the student's parent.
 - c. Certificated instructional staff will determine whether the student is making satisfactory progress in meeting the written student learning plan.
 - d. If the student fails to make satisfactory progress for two consecutive evaluation periods an intervention plan shall be developed and implemented. The intervention plan will be developed by certificated instructional staff in collaboration with the students and for students in K-8, the student's parent or guardian.
 - e. If after three consecutive evaluations, the student is not making progress, a new plan designed to meet the student's needs shall be developed and implemented.
2. Students in alternative learning programs shall be assessed using the state assessment for the student's grade level and using other annual assessments required by the district. Part-time and home-based students are not required to participate in the state wide assessments required under 28A.655.
